

# LexisNexis® Company Dossier

## Find a Company

- 1 The **Find a Company** tab within LexisNexis Company Dossier allows you to access the in-depth profile on a company of your choice.
- 2 Search by company name, DUNS® Number, Ticker Symbol or Dossier ID.

**TIP:** If you aren't looking for a particular company, you can also perform a search to obtain a list of all companies that match your selection of company type (e.g., public, private, parent, subsidiary), within the region(s), state or city of interest.

## Company Snapshot

After finding the company of interest, the LexisNexis Dossier company snapshot will be displayed. The snapshot Overview includes general company information such as:

- Company contact information, including: address, phone, fax, Web address
- DUNS® Number
- Ticker symbol and stock information
- Number of employees
- Primary SIC and NAICS
- Detailed business description
- Top executives and board of directors
- Financials
- Current news

From the left-hand navigation, select a category to find more detailed information and reports that dive deeper into the areas of:

- Executives
- Company Hierarchy
- Competitors
- News
- Financials, including SEC Filings, SWOT Analysis, Analyst Reports
- Legal
- Intellectual Property

## Create a List—Company

Create on-point lists of companies based on your specific criteria.

- 1 Enter your preferred criteria into at least one of the search fields. Your list results will be more targeted the more search criteria you provide.
- 2 Click **Create** to generate your list.  
**TIP:** Use the **Currency Conversion drop-down menu** in the upper-right corner to select the currency in which you want to search revenue.  
**TIP:** Click the blue **NAICS** and **SIC** links to browse and search for industry codes.
- 3 Review a sample of your list results in the **Preview** to ensure your list meets your needs.
- 4 Select the hyperlink to review the company snapshot for any of the sample companies.
- 5 Upon previewing, you can select **Edit Search** to further fine-tune your search, if desired.
- 6 When you are satisfied with your search, proceed with the creation of your list by clicking **Customize**.
- 7 Select the number of results to be included in your final list using the drop-down menu.
- 8 Choose to sort order your results by **Company Name, Sales, City** and more from the drop-down menu.
- 9 Select the elements to be included in your company list by checking the boxes next to each attribute.
- 10 To change the currency in which the companies' sales are reported from the US Dollars default, click the **Currency Conversion drop-down menu** for more options.
- 11 Once you have selected your desired options, click **Update** at the bottom of your screen.

## Compare Companies

- 1 To compare up to five companies, enter the company names or ticker symbols.
- 2 Click **Compare**.
 

**TIP:** Only companies traded on one of the U.S. stock exchanges can be compared using this feature.
- 3 The **Company Financial Comparison** report compares balance sheet, income statement and ratio information.

**TIP:** By default, the financial information will be displayed in the currency that the company reports to the SEC. The currency can be changed using the **Currency drop-down menu**.

### Compare Companies

The report will compare balance sheet, income statement, and ratio information for companies to the US stock exchanges. By default, balance sheet and income statement information will be displayed that the company reports to the SEC.
